Memo

explaining the variations in the District Fund Budget Estimates of the Shimoga Circle for 1898-99.

Receipts.

I 76 p.c of Land Revenue and Supara cess. } The fall of Rs 6500/- under this head is due to the decrease of Land Revenue (Actuals) of 1896-97 on which the figures are based

II to IX These items also are based on the actuals for 1896-97

Expenditure.

I (A) P.W. to be executed by P.W. Department.

Original Works. No provision has been made under this head for want of funds.

Note. The closing balance estimated, viz: Rs 3894/ is in excess of prescribed proportion of receipts. But as a supplemental Budget for the current year

has to be submitted shortly, the balance after providing for it will be reduced to less than the 25 p.c of receipts required by the rules

(3) P.W. to be executed by Revenue officers

/ original works. The decrease of Rs 1000/- is made for want of funds.

III Establishment.— Rs 1500 has been provided under this head to meet the proportionate Salary of Work Inspectors recently appointed — debitable to District Funds.

Civil Charges.

V. Sweepers and Caretakers of Travellers Bungalows and Musaferkanas. } The decrease is owing to the transfer (under Govt Rev: No. 43245 / L.J 38.97 of the 13th October 1897) of certain bungalows to the 2nd class and the consequent debiting of the charge of upkeep to Provincial instead of District Funds, and the

Establishment attached to the Inspection Lodges to the D.P.W.

VI Conservancy and Sanitary Charges. } The excess of Rs 1000 provided is for improving village sanitation to meet the demands under recent orders on the matter to some extent.

X Miscellaneous. (2) and (3) The two items are based upon the actuals for 1896-97.

The other items do not require any explanation as there is no alteration.

Memo

As no provision was made in the D. F. Budget of Shimoga for 1898-99 for the salary of the servant attached to the Inspection Lodge at Sowlanga, the President was requested to state if the same was being met from the annual maintenance allowance of the road on which the lodge was situated. In reply his office was referred to Govt Pro no $\frac{5066.8}{L.F\ 38-97}$ of 6-11-97, by which Inspection Lodges in the District were transferred to the "P W. D" and accordingly to which no provision was made in the Budget for the salary of the servant referred to.

Para 9 of Pro no $\frac{15.893-97}{L.F\ 107-97}$ of 6/6/98. (Sl no 4).

Para 4 of Presidents' letter no $\frac{202}{15.9}$ of 2-9-98 (Sl 6)

(2) Thereupon it was pointed out that Govt Pro no $\frac{5066-8}{L.F\ 38}$

no $\frac{4333-5}{L.F\ 107-97}$ of 26/9/98 (Sl 10)

dated 6/11/97 did not relate to the Sowlanga Inspection Lodge and the President was requested to quote the report order sanctioning the transfer of the Lodge to the L. P. W. or to state from what source the salary of the watchman employed therein was being met. (Please see para 3 of Pro etc 4333-5 Opsh/97 & 3107 97)

(3) In his etc 417 dated 332 of 20
22/11/98. the Dy Coms stated that a provision of Rs 72 was sanctioned in the D. F. Budget of Shimoga on account of the salary of the watchman reduced to But as the provision to was for a servant of the 3rd class Travellers Bungalow and not of the Inspection Lodge, he was requested to state whether

Docket-etc. 7337 dt. 16-12-98
L.S. 107-97
(sl 25)

the Inspection Lodge at Sowlanga had been converted into a third class Bungalow and if so under what authority.

41. The Dy Comr now states that in the printed list required from the Chief Engineer in 1890 and in the statement appended to Govt order etc 11197-8 dated 1-4-96 L.S. 374-94 Sowlanga appears as a third class Bungalow and that on the strength of these entries, the building has been treated as a third class Bungalow.

(5) A reference to the register of Public buildings and list of Inspection Lodges shows that there are a three class Travellers Bungalow and an Inspection Lodge at

Sowlanga.

May the Precedent be now asked to state whether these two buildings do not at present exist and if so, how the lay whom and at what cost and from what funds the Inspection Lodge is being maintained, there being a provision of Rs 72 for the salary of the ~~c~~ of the III class Bungalow:-

Submitted with draft
Dated 30.5.99 Dr
9.

Enquiry having been made as above, the Dy Cr now states that there is only a III class Travellers Bungalow at Sowlanga & that the Inspection Lodge in the town ~~having~~ lost its importance or ~~being~~ ceased to be known as an Inspection Lodge & was ~~having been~~ eventually converted into a kitchen for the use of native travellers.

1 Travellers Bungalow built in 187
at a cost of Rs 445 and repair
in 1881-82 & 1892-93 at a cost o
Rs 102
2, Inspection Lodge built at a cos
of Rs 2359 from Provincial
funds on what were not
known.

Letters Nos. 1085—895, 1080—891, dated 29th March 1898, from the President of the District Fund Board, Shimoga District, submitting the Budget Estimates of the Shimoga Local Fund Circle for 1898-99, together with a copy of the Proceedings of the District Fund Board dated 26th March 1898.

No. 15893-97—L. F. 107-97, DATED BANGALORE, 6TH JUNE 1898.

ORDER THEREON.—The income of the District Fund Board of Shimoga for 1898-99 is estimated at Rs. 80,107, against Rs. 1,35,699, the actuals of 1896-97, and Rs. 87,100, the sanctioned estimate for 1897-98.

2. *I Seventy-six per cent of Local Cess.*—The increase expected under this head compared with the actuals of 1896-97 is based upon the jamabandi figures for 1896-97 and is retained; but with reference to the remark contained in the Enclosure A, that "it is not expected that the arrears at the beginning of 1898-99 will be collected during the course of that year," it should be explained what the probable arrears at the beginning of the year would be, and why the same was not shown in column 5 of the statement and included in the total under column 6.

3. *IX Miscellaneous.*—The decrease under this head is due to the non-recurring nature of refund obtained from Provincial Funds during 1896-97 of Rs. 57,416, being the cost incurred from District Funds on the western malnad roads up to the year 1893-94.

EXPENDITURE.

4. *A. Public Works to be executed by D. P. W.*—The provision made under "II Repairs" includes the increased rates of mileage allotment for the marginally noted two roads. The proposal to raise the mileage allotment of the second road has already been sanctioned. Pending the submission of a separate reference in regard to the necessity for the proposed increased rate for the first of the roads and the final orders of Government thereon, the increased provision will stand but should not be utilized.

1. Chitaldrug-Benkipur road	100	120
2. Shimoga-Hole honnur road	50	60

5. *Public Works to be executed by Revenue Department.*—The list of original works merely gives the distribution of the lump sum provision of Rs. 3,000 (entered in the consolidated budget statement) among the several taluks, but does not describe the nature of the works to be executed in each of them. The omission should be supplied. Under recent orders no provision can be made under the head "V Reserve," and the item will accordingly be included under the head "Original works," pending the submission of details for the lump sum estimate (Rs. 500). The establishment charges at 10 per cent on the cost of works Rs. 12,025* amount to Rs. 1,203 only, which will be sanctioned in lieu of Rs. 1,500 proposed by the President.

It is noted that the Government declined to sanction the Board's proposal to pay the Hospital Assistant at Benkipur a monthly allowance of Rs. 15 for visiting Holehonnur to render medical aid (*vide* Proceedings No. 12781—L. F. 144-92, dated 5th February 1894.)

9. *V Sweepers for the III Class Travellers' Bungalows and Musafirkhanas.*—The decrease under this head is due to no provision having been made for the salaries of the servants of the marginally noted bungalows which were raised to 2nd class in Proceedings No. 5424-6—Mis. 1063, dated 12th November 1897, and also of those inspection lodges at Sowlanga, Ulvi, Anavatti and Humchadakatte situated on District Fund roads. To

The Secretary to the Government
of Mysore,
General and Revenue Depts.

Sir,

With reference to para 2 of Government Proceedings No. 15893-97 / C. 7107-97 of the 6th June 1898, I have the honour to state that the probable areas will have to be guessed 3 or 4 months before the actual ascertainment and on this account, it has been the practice to omit the item altogether. This procedure seems to be erroneous and will be rectified in future.

2. As regards para 8 of the said Proceedings, I beg to state that the provision of Rs 230 was made for Furniture to Local Fund dispensaries, as there were several estimates received from

the Hospital assistants pending sanction in this office

3. The increased rate of charge allowance of Rs 15 per mensem to the Hospital Assistant at Bankapur was sanctioned in Government Proceedings (8110) No. 4491-3 / L.7291-96 of the 20th October 1897.

4. As regards the latter portion of para 9, your kind attention is invited to Government Proceedings No. 5066-8 / L.J.38.97 of the 6th November 1897, by which the Inspection Kodes in the district were transferred to the Public Works Department and accordingly no provision was made in the Budget.

To The Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

In reply to your No. 13563 dated ⊂ for 3.
LF 107-97
the 31st May 1899, I have the honour to state that there was no third class Travellers' Bungalow at Sowlanga in 1875, since no mention of it has been made in the list published under the late Chief Commissioner's Notification No. 120 dated 7th August 1877. About the year 1879-80, a small thatched building was built there for the convenience of the travellers, at a cost of Rs 445, and it was called an Inspection Lodge. In subsequent years this building fell into decay as the materials used were not of a superior kind and for want of accommodation to travellers, the District Fund Board at a meeting held on the 27th November 1886 took up the matter and passed a resolution for the construction of an Inspection Lodge at this place. The result was the construction of a

building

building which is the existing third class Travellers' Bungalow near the old building at an outlay of Rs 1734. The out-houses attached to it cost an additional sum of Rs 626. The amount viz Rs 235 said to have been spent on the construction of the Lodge probably relates to the cost of repa... to the building. After the construction of the pukka building the original Inspecti... Lodge lost its importance and even ceased to be known as an Inspection Lodge and was eventually converted into a kitchen for the use of the native travellers How the building originally designed to be an Inspection Lodge came to be regarded as a Third Class Travellers Bungalow can not be accounted for The main building toget... with all its out houses is being maintain... at present solely out of the District funds and the provision of Rs 72/- made in the budget on account of the pay of the caretaker relates to

the

this particular building
